

MAY PRAYER FOCUS

Welcome to our May edition of Prayer Focus. This month we are praying for our charity shops, for initiatives delivered through our Children At Risk programme, for 40th Anniversary activities including our Spring Ball and for our partners' work in Zambia and North Africa.

1-6 MAY

WEEK ONE

We pray for our charity shops, remembering their important role in resourcing Global Care's work.

Please pray for:

- completion of the Radford shop refurbishment
- new volunteers for Radford, as the volunteer team shrank during the refurbishment
- give thanks for Jill and Jules, the shop managers, and their commitment to Global Care
- for good income in sales and from Gift Aid claims, to better support Global Care's international work
- for the children sponsored by each shop

7-13 MAY

WEEK TWO

We pray for work delivered through our Children At Risk fund, helping us act in emergencies, support planned interventions & start new initiatives.

Please pray for:

- a new education & mentoring project in Malawi supported via Children At Risk on a pilot basis
- Heavena, a community outreach and resource centre for victims of domestic violence & trafficking in Sri Lanka

We pray for our partners in Zambia, New Life Foundation Action Trust (NLAF), the sponsored children and M8 school.

Please pray for:

- more sponsors to help the most vulnerable children in Kabompo
- improved economic security & an end to currency devaluation
- wisdom for the NLAF team

WEEK FIVE

We pray for our partners in North Africa, working with abandoned children in a residential setting.

Please pray for:

- new workers willing to commit to the children as house parents for the long term.
- wisdom & healing for the children, as they grow to understand their stories in a culture which may not welcome children from non-traditional family structures
- wisdom & encouragement for our long-term partners as they consider the future of the project
- give thanks & pray for gospel witness via love in action here
