

NOVEMBER

PRAYER FOCUS

Welcome to our November edition of Prayer Focus. This month we are praying for our partners in Cambodia, Guatemala and India, and the new project behind our Christmas Appeal. We're also taking time to thank God for His unfailing goodness - we have SO MANY reasons for gratitude!

1-4 NOVEMBER

WEEK ONE

We pray for our new partners in Cambodia, Bethel Mission Organisation, and their Graveyard Preschool.

Please pray for:

- the 30 children (24 girls) now attending the Preschool, including 7 new students
- their new teacher, especially for good classroom management and positive discipline
- resolution for rainy season issues for families, including mosquitoes and sewage smells
- give thanks for the active engagement of parents and pray this continues.

5-11 NOVEMBER

WEEK TWO

Please spend this week thanking God, celebrating His goodness, preparing for our Anniversary Thanksgiving Service on Saturday (11th).

Give thanks for:

- God's goodness and grace, rich and unending, a beacon of hope in a broken world
- God's faithfulness over our four decades, and His provision of resources needed to do the work
- our international partners, their amazing dedication to children, and the privilege of serving them
- our generous UK donors, supporters and volunteers
- countless young lives changed!

- healing for girls who self-harm
- children kept out of school when parents send them to work
- protection from the constant temptations of gangs and drugs.

for He is good; His love
endures forever."
