

JANUARY PRAYER FOCUS

Happy New Year to all our Prayer Partners, we so appreciate you! This month we are praying for our partners and projects in Malawi, Uganda, Bangladesh and Myanmar. As we enter a new year, we see many challenges on the horizon - please keep bringing our needs before our great Heavenly Father.

1-6 JAN

WEEK ONE

We pray for our '50 miles' January walking challenge, in support of our new project in Malawi.

Please pray for:

- new & deeper donor relationships through the 50 miles challenge
- a good start to our fundraising year
- all our '50 miles' walkers, giving thanks for their support. Pray they share what they are doing with others!
- Muthange, our partners in Malawi, giving thanks for their passion and commitment
- protection for the vulnerable teenage girls they support.

7-13 JAN

WEEK TWO

We pray for our team in Soroti, Uganda, as they prepare to deliver the new skills training programme, funded through our Christmas Appeal.

Please pray for:

- a smooth launch of the new programme
- robust identification of the girls most in need of this support
- strong commitment from the girls
- many of the girls are teen mums to very young babies - pray for safe childcare and good health for their little ones as they learn skills to support their future
- our Soroti team: David, Fred, Brenda and Salume.

It's not too late to join our 50 Miles in 30 Days challenge! Just make a donation (£30 minimum) and sign up for a month of fitness and fun. We'll

send you all you need to take part, including a beanie hat. All funds go to our new project in Malawi. Find out more at www.globalcare.org/50-miles

14-20 JAN

WEEK THREE

We pray for our work in Bangladesh, and our partners Love Your Neighbour (LYN).

Please pray for:

- Washington and the team at LYN, and the boys at the Home of Love
- children in the new 'community care' programme - 'economic orphans' who can be safely supported in their wider family rather than brought to an institution - and the continued development of this initiative
- the children and young mentors benefitting from our Learning Booster Centres - give thanks this programme is going so well.

21-28 JAN

WEEK FOUR

This week, we pray for our work in Myanmar, remembering the International Day of Education (24th).

Please pray for:

- safety for our partner DS, who plans to visit the Karenni schools we support this month
- High School students, who travel long distances & live away from home from a young age to progress past primary education
- more Karenni children to be able to access education, despite the severe challenges of ongoing civil war
- peace with justice in Myanmar and an end to ethnically-driven persecution.

29-31 JAN

WEEK FIVE

This week, we pray for South Sudan.

Please pray for:

- success in efforts to identify new partners so we can help more children in one of the world's most fragile countries.
- our partners seeking to support families in the disputed border district of Abeiye - an even more dangerous area now, due to conflict in Sudan
- large numbers of refugees and returnees fleeing over the border, putting stress on already-stretched support networks
- better access to quality education for more children.
