

AUGUST PRAYER FOCUS

Thank you for your faithful prayers for Global Care! We are so grateful for your support. This month, we are praying for our partners in Ethiopia, Cambodia and Guatemala, as well as for our Harvest Appeal. Praise God for His provision for our work in these nations over the years, and with us, celebrate His faithfulness. Amen!

1-9 AUGUST

WEEK ONE

This week, we pray for our Harvest Appeal, supporting our work with vulnerable children in four countries.

Please pray for:

- a positive response to the appeal
- our partners in Bangladesh, Syria, Sri Lanka and Zimbabwe and the children they support
- give thanks for this opportunity to invest in several projects simultaneously
- pray for protection for our partners, particularly in Syria, throughout continued conflict and high levels of instability.

10-16 AUGUST

WEEK TWO

This week, we pray for our partners in Ethiopia, and the project delivering wells for women farmers.

Pray for wisdom and blessing for:

- our Ethiopian partners, led by Mamo, giving thanks for their vision and commitment
- women and families served by the new completed wells, for them to make the most of this wonderful opportunity
- the as-yet uncompleted wells, for smooth logistics in construction, and in dealing with authorities, land ownership and other issues
- pray for excellent harvests!

Pray for Teachers

Accessing education is already a challenge for so many children - but poor teacher training, teacher shortages or teacher absenteeism can make it

even harder. In high-risk areas of Guatemala City, teacher absenteeism is a big issue and classes are often suspended with little warning. Pray for more trained, committed teachers.

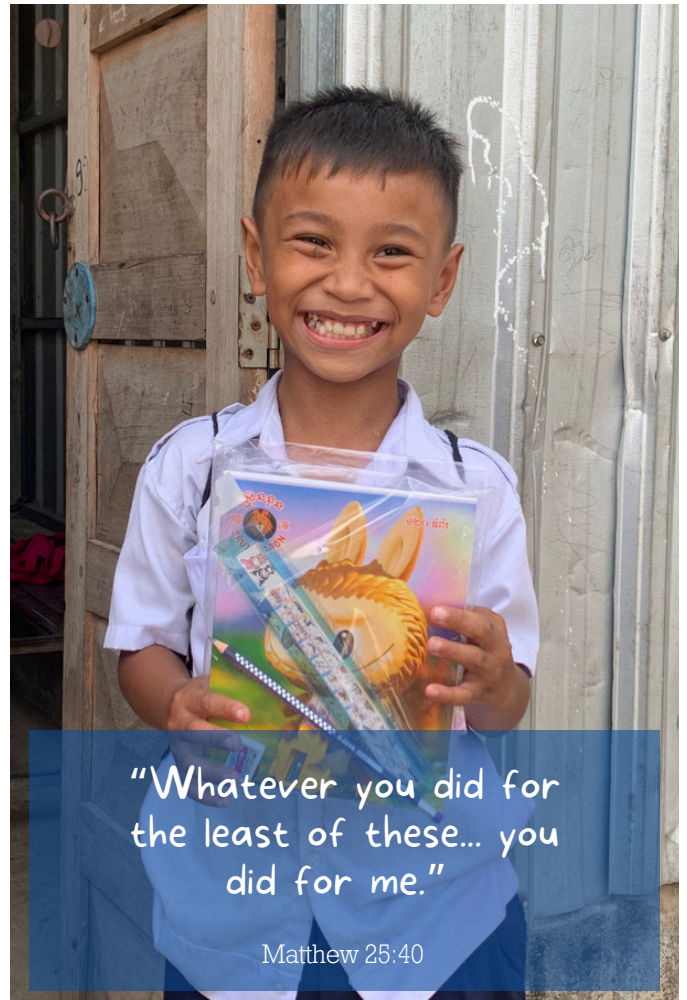

17-23 AUGUST

WEEK THREE

This week, we pray for our partners in Cambodia and the children of the graveyard preschool.

Please pray for:

- our partners Bethel Mission Organisation, giving thanks for their commitment to marginalised children
- effective learning for children attending the preschool
- families struggling with insecure work, inadequate housing and poor sanitation
- good integration into local schools for preschool children
- wisdom in developing this work.

24-31 AUGUST

WEEK FOUR

This week, we pray for our partners in Guatemala and their work with street-connected children.

Pray for:

- wisdom for the team at our partners SKD Guatemala
- good relationships within the team, with local churches, networks and connections.
- safety and improved lives for marginalised, high-risk, street-connected children and families.
- more volunteer mentors and more UK sponsors.
- protection from gang violence and influence.

Power of 1-1 Support

*Diego lives with his grandmother, aunt and cousins in the slums of Guatemala City. When he joined our partners' mentoring project he was quiet and

shy. Now he is full of confidence. Our partners say: "His story is a beautiful reminder of the power of one-to-one support. With the right guidance he is now taking real steps towards academic and personal growth." Diego says: "My mentor helps me understand things I couldn't do before." Pray for Diego and all our mentored children.
