PRAYER FOCUS

Thank you so much for your prayers for Global Care! We give thanks for God's faithfulness and provision. This month we pray for our partners worldwide and their crucial work to improve literacy, for a continued good response to our Harvest Appeal and for our partners in South Sudan and at Spurgeons Academy, in Kibera, Kenya.

1-7 Sept

WEEK ONE

This week we pray for the Morning Star Care Centre (MSCC) in Sri Lanka, now the focus of our Harvest Appeal.

Please pray for:

- the headteacher, field officer and staff team of MSCC, giving thanks for their commitment
- stability and progress for the extremely vulnerable children who attend
- families struggling with loss, poverty and addiction
- a positive response to our Harvest Appeal, which launched late due to circumstances forcing a change of focus.

8-14 Sept

WEEK TWO

This week, we pray for our partners' efforts to improve literacy, marking World Literacy Day on 8th September.

Pray for success and provision for:

- our partners operating formal schools in India and Kenya
- our partners running informal education initiatives, in Sri Lanka, Syria, Malawi, India, Cambodia and Bangladesh
- our partners working to improve literacy in conflict zones in Myanmar and South Sudan
- Pray for all the young people these initiatives seek to help, that they successfully learn and grow.

Harvest Appeal

The Morning Star Care Centre supports many children who cannot handle 'normal' schooling. One third of pupils have

additional learning needs, another third have parents with addiction issues, 60 of 64 pupils have experienced trauma or bereavement. globalcare.org/harvest-2025

This week we pray for our partners in South Sudan.

Please pray for:

- protection and peace for the people of the disputed Abyei region, where our partners work
- the children at Thurlith School, especially those bereaved or separated from parents, now under the protection of the school
- wisdom and resources for the headteacher and staff at Thurlith
- wisdom and resources for our local partners in a community facing multiple challenges due to poverty and years of conflict.

Care Through Chaos

13-year-old twins *Esha and *Ikinya, and their younger brother *Rashid, aged 9, live with their mum Lucy, who experienced gradual sight loss from 2020, and is now totally blind. They are helped by their aunt, who lives next door, and all three children are now sponsored by Global Care, as they have no other means of support.

Their father left when his wife began to struggle with her sight. Spurgeons is a lifeline for this vulnerable family, and despite everything, the children are thriving there.

WEEK FOUR

This week we pray for our partners in Kenya, at Spurgeons Academy.

Please pray for:

- the board and staff team as they work through the transitions and challenges of leadership changes
- former director Kenyanito, newly ordained, as he moves on to new ministry opportunities, giving thanks for his vision and service
- personal stability and academic progress for children at the school
- families struggling with high prices, unstable employment, low income, loss and abandonment
- God's provision for more resources and child sponsors.
