

JUNE PRAYER FOCUS

“Rejoice always, pray continually, give thanks in all circumstances; for this is God’s will for you in Christ Jesus.” (1 Thessalonians 5:16-18)

As we pray this month, there is plenty to rejoice in and give thanks for - and many prayers to lift up on behalf of children in our projects. Thank you for praying with us!

1-6 June

WEEK ONE

This week we celebrate Volunteers Week in the UK. We’re so grateful for the many volunteers who support our work in many different ways.

Please:

- give thanks for our charity shop volunteers
- pray for the 3 shop managers, Paula, Charlotte and Jay-Dene, as they support retail volunteers
- give thanks for the hard work of a dedicated team of volunteers across many operations, admin and fundraising areas.
- pray for our trustees who volunteer to oversee and guide all the work of Global Care.

7-13 June

WEEK TWO

This week we’re praying for Guatemala, where our project with SKD Guatemala keeps children off the streets. Give thanks for our hugely successful Christmas appeal, enabling the vital expansion of Casa Club.

Please pray:

- for the development of the Casa Club premises
- for the safety and thriving of many children who benefit from the mentoring programme
- for the team as they care for and guide these vulnerable children.

New confidence

15-year-old *Alli shares a single bed with her mum and two siblings in a tiny room in Guatemala, with no bathroom or kitchen.

Alli was very shy and frequently absent from school. But thanks to her mentor, Alli finished primary school in 2025 and moved to secondary education with much higher self esteem.

14-20 June

WEEK THREE

This week we pray for our work in Zambia. At the end of the week, CEO John is visiting the project along with Jonathan, our Office Manager.

Please pray:

- for safe travel for John and Jonathan on 20 June
- for a fruitful and encouraging visit to our partners
- for each of the children we support in Zambia as our partners help them overcome many challenges to stay in school
- for the schools we work with, that their persistence in teaching would bear fruit in the students.

21-27 June

WEEK FOUR

At Emmanuel School in Kolkata, India, we sponsor more than 50 vulnerable children.

Please pray:

- for our partners, Emmanuel Ministries, as they help some of the most disadvantaged children in Kolkata access education
- for our sponsored children, who face many social, emotional and financial barriers to learning - that they would thrive at school under the care of our partners
- for new sponsors to get involved and help vulnerable children access education in Kolkata.

28-30 June

Samira's story

Nine-year-old *Samira lives on the outskirts of Kolkata, India.

Her mother works as a maid, and Samira and her brother leave home at 5:30am for school. After classes, they attend the Pavement Club for academic support and creative activities.

When family tensions increased

and her father threatened to abandon the family, staff intervened, and the situation has since improved.

Samira is thriving, growing in confidence, progressing in her studies and creative skills.

WEEK FIVE

In these final few days of June, we are giving thanks for Pavement Club in Kolkata, India. The informal education children living in the Kolkata slums can access at Pavement Club is vital to their future.

Please pray:

- for children accessing informal education through Pavement Club, that they would engage with the lessons provided
- for attitudes to education in the slum communities to change, so that families would help their children pursue schooling
- for the team as they support children into mainstream school.
