

NOVEMBER

PRAYER FOCUS

Thank you so much for your prayers for Global Care, we so appreciate your faithful support! This month we are praying for our partners in Zambia, Ethiopia and India, including the project we hope to support through our new Christmas Appeal. Please also pray for our UK staff team.

1-7 NOV

WEEK ONE

This week, pray for our partners in Kabompo, in Zambia.

Please pray for:

- wisdom, energy and favour for the team at New Life Action Foundation Trust (NLAFT)
- positive steps forward in a new initiative supporting children with disabilities
- give thanks for the success of many years of investment at M8 school, and pray for teachers and staff as we move our focus to a more marginalised community
- safety and progress for all our sponsored children.

8-14 NOV

WEEK TWO

This week we pray for our partners and their work in Ethiopia.

Please pray for:

- resources, networks and encouragement for our partners, the Ethiopian Addis Kidan Baptist Church Development Commission
- wisdom in discussions regarding the development of the work
- greater access to education for marginalised children, especially in rural areas, where poverty is more prevalent
- give thanks for extremely successful recent initiatives, including Wells for Women Farmers and Wolaita Sodo school.

Double Your Gift!

ALL donations to this year's Christmas Appeal will be doubled, thanks to generous match funders, until we've raised £66,000. Give once and make twice

the impact! We're raising funds for an initiative helping children living at Kolkata's Sealdah Railway Station. Give at globalcare.org/Christmas-2026 or by phone.

WEEK THREE

This week, we pray for our partners in Kolkata, India, whose drop-in centre for children living at Sealdah railway station is the subject of our 2026 Christmas Appeal.

Please pray for

- safety, rescue and rehabilitation for children living, working or arriving alone at the station
- progress for children at the centre
- wisdom, energy and favour for our partners, helping children and families with complex problems
- a positive response to our Christmas Appeal, aiming to stabilise this initiative and extend it to help more children.

22-30 NOV

Station Baby

*Nabhanu was born in a corner of Sealdah Railway Station, Kolkata. Aged 11, she has never been to school and helps her parents sell vegetables. Our partners saw her wandering around the platforms and invited her to their drop-in centre, where she can access basic education, crafts and other activities. Initially her parents

refused to let her go, but over time our partners persuaded them otherwise. It hasn't been easy, as she finds it hard to sit still or concentrate but she is slowly learning the basic skills she needs.

WEEK FOUR

This week we mark the International Day for the Elimination of Violence Against Women (25th).

Please pray for:

- protection for young women and girls in all our projects
- healing and restoration for survivors of violence and abuse
- fair legal representation for girls and accountability for perpetrators
- success in efforts by our partners to tackle cultural practices condoning domestic violence
- greater participation for girls, so their needs are seen & voices heard
- give thanks for safe spaces for girls created by our partners worldwide.
